

Intermunicipal Collaboration Framework

Between

Lamont County

And

Beaver County

March 2020

Page 1 of 6

WHEREAS, Lamont County and Beaver County share a common border; and

WHEREAS, Lamont County and Beaver County share common interests and are desirous of working together to provide services to their residents; and

WHEREAS, the Municipal Government Act stipulates that municipalities that have a common boundary must create an Intermunicipal Collaboration Framework with each other that identifies the services provided by each municipality, which services are best provided on an intermunicipal basis, and how services to be provided on an intermunicipal basis will be delivered and funded.

NOW THEREFORE, by mutual covenant of the Municipalities it is agreed as follows:

A. DEFINITIONS

- 1) In this Agreement
 - a) “Municipalities” means Lamont County and Beaver County.

B. TERM AND REVIEW

- 1) In accordance with the *Municipal Government Act*, this Intermunicipal Collaboration Framework shall come into force on final passing of matching bylaws that contain the Framework by both Municipalities.
- 2) This Framework may be amended by mutual consent of both Municipalities unless specified otherwise in this Framework.
- 3) It is agreed by the Municipalities that the Councils shall review at least once every five years, commencing no later than 2025 the terms and conditions of the agreement.

C. INTERMUNICIPAL COOPERATION

- 1) The Council of the Municipalities shall be the forum for the review of the Intermunicipal Collaboration Framework.

D. GENERAL TERMS

- 1) Both Municipalities agree that in consideration of the service agreements outlined in Section E(2) that residents of the Municipalities will be afforded the same services at the same costs, including user fees, as the Beaver County residents for services provided by Lamont County and Lamont County residents for services provided by the Beaver County.

E. MUNICIPAL SERVICES

- 1) The Municipalities have a history of working together to provide municipal services to the residents on an intermunicipal basis.
- 2) The Municipalities acknowledge that in addition to the shared service agreements in place between the Municipalities, they each have independent agreements with other regional partners.
- 3) Both municipalities have agreed to further discuss beaver control in the shared drainage course of Dry Grass Lake. The specific area is within Beaver County south of Township Road 530.

F. FUTURE PROJECTS & AGREEMENTS

- 1) In the event that either Municipality initiates the development of a new project and/or service that may require a new cost-sharing agreement, the initiating Municipality's Chief Administrative Officer will notify the other Municipality's Chief Administrative Officer in writing.
- 2) The initial notification will include a general description of the project, estimated costs and timing of expenditures. The other municipality will advise if they have objections in principle to provide funding to the project and provide reasons. An opportunity will be provided to discuss the project at the Council meetings.
- 3) The following criteria will be used when assessing the desirability of funding of new projects:
 - a. Relationship of the proposed capital project to Intermunicipal Development Plan, or any other regional long-term planning document prepared by the Municipalities;
 - b. The level of community support;
 - c. The nature of the project;
 - d. The demonstrated effort by volunteers to raise funds and obtain grants (if applicable);
 - e. The projected operating costs for new capital projects;
 - f. Municipal debt limit; and,
 - g. Projected utilization by residents of both Municipalities.
- 4) Once either Municipality has received written notice of a new project, Council meetings must be held within thirty (30) calendar days of the date the written notice was received, unless both Chief Administrative Officers agree otherwise.
- 5) Councils will be the forum used to discuss and review future mutual aid agreements and/or cost sharing agreements. In the event the Councils are unable to reach an agreement, the dispute shall be dealt with through the procedure outlined within Section G of this document.

- 6) Both Municipalities recognize that the decision to participate in or not participate in a project ultimately lies with the respective municipal councils, who in turn must rely on the support of their electorate to support the project and any borrowing that could be required.

G. DISPUTE RESOLUTION

- 1) The Municipalities are committed to resolving any disputes in a non-adversarial, informal and cost-efficient manner.
- 2) The Municipalities shall make all reasonable efforts to resolve all disputes by negotiation and agree to provide, without prejudice, open and timely disclosure of relevant facts, information and documents to facilitate negotiations.
- 3) In the event of a dispute, the Municipalities agree that they shall undertake a process to promote the resolution of the dispute in the following order:
 - a. negotiation;
 - b. mediation; and
 - c. binding arbitration.
- 4) If any dispute arises between the Municipalities regarding the interpretation, implementation or application of this Framework or any contravention or alleged contravention of this Framework, the dispute will be resolved through the binding Dispute Resolution Process outlined herein.
- 5) If the Dispute Resolution Process is invoked, the Municipalities shall continue to perform their obligations described in this Framework until such time as the Dispute Resolution Process is complete.
- 6) Despite Section G(4), where an existing intermunicipal agreement has a binding dispute resolution process included, the process in the existing intermunicipal agreement shall be used instead of the dispute resolution outlined in this Framework.
- 7) A municipality shall give written notice (“Dispute Notice”) to the other municipality of a dispute and outline in reasonable detail the relevant information concerning the dispute. Within thirty (30) days following receipt of the Dispute Notice, the Councils shall meet and attempt to resolve the dispute through discussion and negotiation, unless a time extension is mutually agreed by the CAOs. If the dispute is not resolved within sixty (60) days of the Dispute Notice being issued, the negotiation shall be deemed to have failed.
- 8) If the Municipalities cannot resolve the dispute through negotiation within the prescribed time period, then the dispute shall be referred to mediation.
- 9) Either municipality shall be entitled to provide the other municipality with a written notice (“Mediation Notice”) specifying:

- a. The subject matters remaining in dispute, and the details of the matters in dispute that are to be mediated; and
 - b. The nomination of an individual to act as the mediator.
- 10) The Municipalities shall, within thirty (30) days of the Mediation Notice, jointly nominate or agree upon a mediator.
- 11) Where a mediator is appointed, the Municipalities shall submit in writing their dispute to the mediator and afford the mediator access to all records, documents and information the mediators may reasonably request. The Municipalities shall meet with the mediator at such reasonable times as may be required and shall, through the intervention of the mediator, negotiate in good faith to resolve their dispute. All proceedings involving a mediator are agreed to be without prejudice and the fees and expenses of the mediator and the cost of the facilities required for mediation shall be shared equally between the Municipalities.
- 12) In the event that:
- a. The Municipalities do not agree on the appointment of a mediator within thirty (30) days of the Mediation Notice; or
 - b. The mediation is not completed within sixty (60) days after the appointment of the mediator; or
 - c. The dispute has not been resolved within ninety (90) days from the date of receipt of the Mediation Notice;
- either municipality may by notice to the other withdraw from the mediation process and in such event the dispute shall be deemed to have failed to be resolved by mediation.
- 13) If mediation fails to resolve the dispute, the dispute shall be submitted to binding arbitration. Either of the Municipalities may provide the other municipality with written notice (“Arbitration Notice”) specifying:
- a. the subject matters remaining in dispute and the details of the matters in dispute that are to be arbitrated.
- 14) Within thirty (30) days following receipt of the Arbitration Notice, the other municipality shall, by written notice, advise as to which matters stated in the Arbitration Notice it accepts and disagrees with, and whether it agrees with the resolution of the disputed items by arbitration.
- 15) The *Arbitration Act* (Alberta) in force from time to time shall apply to arbitration proceedings commenced pursuant to this Framework.
