REASONS FOR APPEAL

Sections 678 and 686 of the *Municipal Government Act* require that the written Notice of Appeal must contain specific reasons for the appeal.

The appeal is herein launched for the following reasons: (Attach a separate page if required)

This appeal is being requested to address new conditions identified that were not informed of during the application process. The classification of this application is being categorized as a public campground, and does not fit the intent as a private member, small group use for up to six units for family and friends for seasonal use in a rustic setting. We believe the concerns raised can best be addressed with an appeal board.

Collection and use of personal information
